COMMUNITY RELATIONS POLICY

Great Western Exploration Limited (GTE) is an Australian mining and exploration company with a principal focus on gold and base metals in Western Australia.

GTE recognises the value of building positive relationships with local communities in which we operate. GTE's relationships with stakeholders are based on trust and mutual advantage and are essential to business success and sustainability.

GTE is committed to:

- **Open and transparent** communication.
- **Understanding and respecting** the needs and aspirations of local people.
- **Acting** in a responsible manner at all times.
- **Ensuring** the value of cultural heritage, traditions and beliefs is well understood through early open and honest communication with the appropriate indigenous people.
- **Protecting** indigenous sites of cultural or spiritual significance.
- **Identifying** commercial opportunities for local businesses and opportunities to employ people from our local communities.
- **Complying** with all applicable legal and regulatory requirements, and voluntary commitments.
- **Maintain** effective environment, heritage and cultural awareness training programmes for employees.
